A Message from our President

March 17, 2020

Ref. COVID-19

To All Regis Clients,

I hope this letter finds you and your families healthy and well. I know we are being bombarded with information and emails, so I will keep this short.

These are certainly unprecedented times.

Our team has been working diligently with our legal advisors fielding many questions and concerns. Unfortunately, there are still many unanswered questions, but as more information becomes available day-by-day, we are striving to keep you informed. To that end, we have launched a COVID-19 Response Page available at www.regishrgroup.com/covid19/.

In addition, tomorrow, along with our legal counsel, we are hosting a webinar to address some of the more pressing topics related to COVID-19, including the COVID-19 Relief Bill currently being proposed in Congress. If passed, the bill could bring relief to small businesses.

In the meantime, know that we are here for you and your employees.

Please reach out to me directly if there is anything I can do to help you through this very difficult time. If I don't answer my cell, send a quick text and I'll get back to you ASAP.

I am confident that together, we will get through this.

Sincerely,

Carlos Saladrigas
President
